

Create Your Own Hike Reminders

Do you keep missing good hikes because you forget to sign up? Do you wish you could be reminded about certain kinds of outings (e.g. bicycling, kayaking) in your region, without getting over-frequent emails?

Here's how you can sign up for custom reminders of upcoming chapter events at a frequency you dictate:

1. Go to the AMC web site at <http://www.outdoors.org/> to connect to the Member Center: Click the **Membership** tab and click **Member Center** on the dropdown menu.

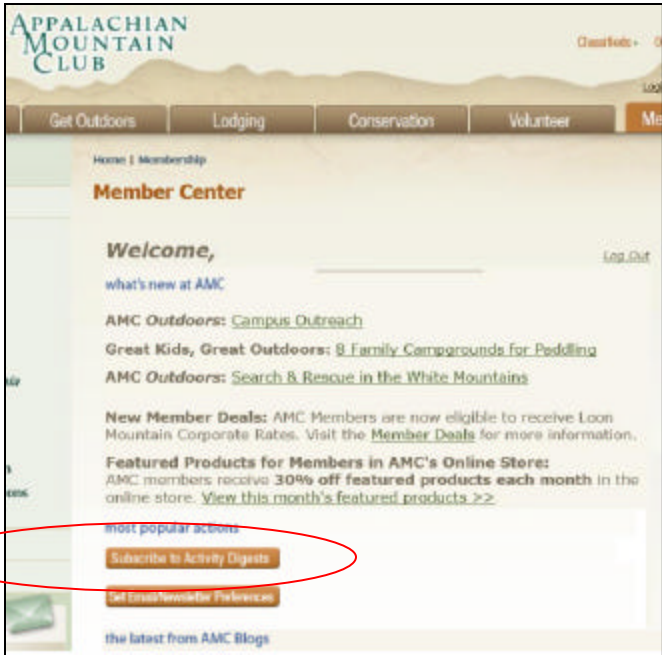

2. Click the **Log in to Member Center** button, enter your login name and password, and click the **Submit** button. *OR*, if you don't have a login: click the **Member Validation** link, enter your Member ID and ZIP/Postal Code, and click **Next**. Once you get your login name and password, log in to the Member Center and go to Step 3.

Note: There are three ways to find your Member ID:

- Your Member card
- On the cover of "AMC Outdoors" magazine above your name.
- Call Member Services – (800) 372-1758 or email your request to AMCInformation@outdoors.org with name and address.

3. Once you're in the Member Center, scroll down and click the **Subscribe to Activity Digests** button.

4. Click the **Create a new digest** link.

5. Enter a Digest Name; choose Group of “Mohawk Hudson”, Region, Activity that interests you (“--” gives you *all* activities), and Email Frequency (weekly, bi-weekly, or monthly); and click the **Review** button to see a summary of your digest.
