

Long-range forecast for National Trails Day, Saturday June 1, is sunny and warm – a perfect day to visit what is arguably the most beautiful place in the Capital District.

After spending the morning doing trail work, we will share a free BBQ, compliments of Friends of Thacher Park.

Let's have a large turnout representing the Mohawk Hudson AMC Chapter for this event. There are tasks for all levels and abilities. For signup info on this and other trail opportunities in June [Click here for details](#)

P.S. Did you know that our web site has been enhanced to make it easier than ever to get notice of events in VERY convenient ways? We have a "print" on the Trip List, for one-step printing. We have a signup window for a Yahoo group that sends out notification emails – right on the main page <http://www.amcmohawkhudson.org/> We also have Instructions for subscribing to customized, filtered trip emails, at <http://www.amcmohawkhudson.org/howto.asp>

P. P.S. Have you Liked us on Facebook yet? [Chapter Facebook Page](#)
